

## Perfect-Match Color Gel Application:

1. Apply product of choice (Acrylic, gel or wrap). After you file and shape, remove dust then spray and wipe nails using LeChat Gel Cleanser and Nail Preparations Solution.
2. Begin to apply Perfect-Match Color Gel as if polishing the nail and cure under UV light for 3 minutes. Make sure to cap free-edge.
3. Remove from light and apply a thin layer of Gel Top (red bottle) making certain the entire nail is covered and seal the free edge. Cure under UV light for 10 - 15 seconds.
- 3a. Remove from light; apply a second thinner layer of Gel Top (red bottle) again making certain the entire nail is covered and seal the free edge. Cure under UV light for 3 minutes.
4. Remove hand from UV light, spray and wipe with LeChat Gel Cleanser and Nail Preparations Solution making sure to remove any gel residue from nails.
